

10/9/76

Dear Norm Richards,

Wish I had the time to update you on my FOIA suits. They alone require so much time now I've been able to do little else for six months.

I have three in federal court now, the spectro/NAA on a sweeping remand.

There is a partial account in WHITEWASH IV.

- You will soon learn, I believe, that the works with which you are familar are largely dated.

Best regards,
